

EVEREST LUXURY LODGES, NEPAL

Everest Lodge at Tashinga

HIGHLIGHTS

- This itinerary is a great introduction to trekking in Nepal while staying in a high standard quality lodges.
- Our Everest Luxury lodges trek uses the chain of Everest Summit Lodges (“ESLs”), they provide accommodation at a standard far better than anything else available in the area. They are ecologically sympathetic and carefully located for their scenic views.
- At Namche and Phakding, where there are no ESLs, we use the best lodges available. They have good dining facilities and separate bedrooms with en suite bathroom.
- We have designed a trek where, not only do you get the superb mountain views of the high Himalayan peaks of Everest, Nuptse, Lhotse and Ama Dablam, but also visit Sherpa villages and Buddhist monasteries along the way.
- Roland, owner and founder of The Mountain Company, has led this trip several times and has modified the itinerary based on this experience. He will be able to answer any questions you might have.

“Your organisation was superb & the trek itself exceeded our expectations by miles!” John Potter (UK)

“Everything with the organisation was first class; you really run a well oiled machine!” Gordon and Lynda Blair (UK)

PARTICIPATION STATEMENT

Participants should be aware trekking, mountaineering and travelling in a developing country are activities that involve a risk of personal injury or death. As a

condition of booking you must accept these risks and be responsible for your own actions and involvement.

Adventure travel requires an open and flexible attitude. You may experience extreme conditions, unpredictable weather and last minute changes to the itinerary beyond our control. Lack of acclimatisation to high altitudes could also be a risk factor. Our itineraries allow optimum time for acclimatising although it is possible that some individuals might be slow acclimatisers.

The majority of our trips visit remote areas where you are away from normal emergency services and medical facilities. In case of a serious injury requiring hospitalisation, it has to be accepted by you, evacuation could take up to several days and may impede your ensuing recovery. Helicopters are the most usual means of evacuation, however they are not always available or they may be hindered by poor weather and flying conditions.

INTRODUCTION

Trek in the Everest region staying in high quality lodges with visits to Sherpa villages and Buddhist monasteries.

Our Everest Luxury Lodges trek is the best way to explore Nepal in style while staying in comfortable lodges of the Everest region; the Everest Summit Lodges are at a standard far better than anything else available in the area. The lodges provide the highest level of service with landscaped gardens, comfortable lounges and bedrooms as well as hot showers and western toilets.

The trek starts with an exciting flight in a Twin Otter plane to the mountain airstrip at Lukla, from here we follow in the footsteps of famous mountaineers for the walk into Everest Base Camp. We are now in Buddhist Sherpa country where you will see colourful prayer flags, mani walls and monasteries along the way.

The trail between lodges takes you through beautiful Nepalese villages with spectacular views of the Khumbu and the Everest region. This is a moderate walk and would be an ideal choice for the first time trekker wanting to maintain home comforts.

DETAILED ITINERARY

It is our intention to keep to the day by day itinerary detailed below, although there might be some flexibility due to local conditions or other factors beyond our control. If this is the case the trek leader will do everything possible to work out the changes to the itinerary in order to minimise your inconvenience.

Day 1. Arrive Kathmandu and join the tour at the hotel.

You will be met on arrival at Kathmandu airport and driven back to the hotel. Please provide travel plans on booking and we will arrange the pick up and transfer. A full briefing will be given in the afternoon.

Day 2. Sightseeing in Kathmandu.

Today we explore Kathmandu with a local guide, the day is flexible depending on what you would like to see but the most popular places generally are:

- Pashupatinath is a Hindu temple with burning ghats on the banks of the Bagmati river.
- Swayambhunath, also known as the monkey temple, is climbed by a long set of steps and has great views of Kathmandu.
- Boudhanath stupa has many traditional gompas hung with strings of multi coloured prayer flags, it attracts many Sherpas and Tibetans for the circumambulations of the stupa (koras).
- Durbar square, which is one of the old capitals of the Kathmandu valley, has a blend of Hindu and Buddhist temples

Day 3. Fly to Lukla (2,840m), trek to Phakding (2,610m)- 4 to 5 hours walking.

After the exciting landing at Lukla, you will start the trek. It is an easy introduction to the beautiful Dudh Kosi river valley and you will pass carved mani stones and prayer wheels typical of Sherpa Buddhist country.

Our first lodge is the Mountain Resort at Phakding on the bank of the Dudh Khosi. This is a reasonable distance to cover on the first day, we believe pushing on to the first Everest Summit Lodge at Monjo is too far.

The lodge is beautifully designed with a natural wood dining area and bedrooms with private bathrooms. It is a great place to relax and take in these beautiful surroundings. Overnight at the Farakpa Yeti Lodge.

Day 4. Trek to Monjo (2,850m)- 3 hours walking.

From Phakding the trail follows the Dudh Kosi valley north, staying on its west bank and soon there is a good view of Thamserku (6,608m). After a walk uphill and over a ridge there is a traverse high above the river to Benkar, and a little further on you cross over a suspension bridge to the east bank of the Dudh Kosi.

There are excellent new metal suspension bridges over the rivers which we cross several times. We reach Monjo at the entrance to the Sagarmatha (Everest) National Park, by lunch time. In the afternoon there is the option to hike up Thakcho Hill behind the village for spectacular views of Numbur, Thamserku and Kongdi Ri.

Overnight at the Everest Summit Lodge at Monjo.

Day 5. Trek to Namche Bazaar (3,445m)- 4 hours walking.

After crossing the Hilary suspension the trail starts uphill to Namche Bazaar. There is a good excuse for a break half way up when Everest becomes visible for the first time.

We normally reach Namche by lunch time and check into the Zamling Guest House overlooking the town. Zamling is the best lodge in Namche and run by a hospitable Sherpa family.

The Zamling lodge has a large dining room downstairs and bedrooms with private bathrooms. The owner, Tsedam Sherpa, has a superb collection of Everest mountaineering artefacts and memorabilia in the dining room. **Overnight at the Zamling Guest House lodge.**

Day 6. Acclimatisation day in Namche Bazaar.

Today we take a rest day to allow us to adapt to the gain in altitude. There is plenty to do in and around Namche, we can take a short walk above the town to get a view of Everest.

There is also an interesting Sherpa Culture Museum which is well worth a visit. We will return to the lodge for lunch and in the afternoon you can either relax or visit the Bazaar. **Overnight at the Zamling Guest House lodge.**

Day 7. Trek to Tashinga (3,450m)- 3 to 4 hours walking.

This morning we leave Namche on the trail contouring the hillside high above the Imja Khosi. There are spectacular views of Everest, Lhotse and Nuptse and also the beautifully shaped Ama Dablam known as one of the most beautiful mountains in the world!

The lodge is just located outside the village of Tashinga with views down the valley to Ama Dablam and Everest. **Overnight at the Everest Summit Lodge at Tashinga.**

Day 8. Trek to Pangboche (3,875m)- 6 hours walking.

Today we set out for Pangboche village and pass the important Tengboche monastery along the way. The Tengboche monastery is the most important gumpa in the Sherpa region, and home to the abbot and about 80 monks and novices following Nyingmapa Buddhism, the predominant Sherpa sect. There is a good view of Everest from here.

After a visit to the monastery we will carry on walking to the village of Pangboche. **Overnight at the Everest Summit Lodge at Pangboche.**

Day 9. Trek to Tashinga (3,450m)- 4 hours walking.

Today we walk back down to the lodge at Tashinga. **Overnight at the Everest Summit Lodge at Tashinga.**

Day 10. Trek to Mende (3,700m) via Sherpa villages of Khunde and Khumjung- 5 hours walking.

Today we head back towards Namche contouring above to visit the Sherpa villages of Khumjung and Khunde. Khumjung is the site of the first school built by Edmund Hillary and the Himalayan Trust. We visit the village gumpa above the village and will have the chance to see the infamous 'yeti scalp'.

After lunch, we continue our walk towards our next Everest Summit Lodge at Mende. At the small village of Tshro we turn off the main trail to Thame and follow a small but steep path to the lodge at Mende. **Overnight at the Everest Summit Lodge at Mende.**

Day 11. Day trek to Thame village and monastery (3,820m)- 4 hours walking.

The Thame valley is beautiful and is less visited than the main trail to Everest base camp. The monastery is situated above the village of Thame with the trail lined by many hand-carved Mani stones.

We have lunch in Thame and then head back to Mende. **Overnight at the Everest Summit Lodge at Mende.**

Day 12. Return to Monjo (2,850m)- 5 hours walking.

The trail descends to Namche Bazaar and then on to Monjo. Overnight at the Everest Summit Lodge at Monjo.

Day 13. Return to Lukla- 4 hours walking.

Overnight at the Everest Summit Lodge at Lukla.

Day 14. Fly to Kathmandu. Overnight at Hotel Shangri La.

Day 15. At leisure in Kathmandu. Overnight at Hotel Shangri La.

Day 16. Fly back home.

Transfer to Kathmandu airport for the flight back home. End of trip

PRACTICAL INFORMATION

ALTITUDE AND ACCLIMATISATION

Our Everest Luxury Lodges itinerary has been designed for gradual acclimatisation to take place, take a look at the altitude profile for the itinerary below:

There are ways of helping the acclimatisation process, as described below:

- **Walk slowly:** there is plenty of time included in the itinerary so there is no need to rush, go at your own pace and enjoy the incredible views!
- **Drinks lots of water:** it is easier for your body to acclimatise when hydrated so drink water and avoid coffee, tea and alcohol.
- **Consider taking diamox (acetazolamide):** before using this drug we recommend consulting a doctor and thoroughly researching the pros and cons.

For further information we suggest you take a look at the following websites:

ACCOMMODATION IN KATHMANDU

In Kathmandu we use Hotel Shangri La (four star). The hotel is located close to the British Embassy near to the centre of Kathmandu. It is within walking distance of the Royal Palace and the tourist hub of Thamel.

LUKLA FLIGHT

Please note that the flights to and from Lukla are dependent on the weather and delays can happen. If you have to wait in Kathmandu at the beginning of the trip your overnight accommodation is included and you will not have to pay extra for this.

In our itinerary one extra day in Kathmandu is included at the end of the trip in case of delays flying from Lukla. If you are delayed longer than this we can help reschedule your international flights however there is likely to be a fee charged by the airline for this. You will also have to pay for all additional costs incurred in Kathmandu such as accommodation and meals.

FOOD

In Kathmandu there is a wide range of excellent restaurants, some of the more popular ones are: K Too Steak House, Everest Steak House, Rumdoodles, Fire and Ice, La Dolce Vita, Mike's Breakfast and New Orleans. Breakfast is provided each morning by the hotel.

In the lodges for breakfast you are likely to get porridge or cereal, toast or chapattis, omelettes and a range of hot drinks. On arrival in the afternoon you will be given tea and biscuits and a three course meal will follow later in the evening.

CLIMATE

The traditional trekking season in Nepal is late September to May, with October and November generally recognised as having the best weather. Spring is also a popular time of year with warmer weather and the advantage of seeing spring flowers and rhododendrons in bloom.

This trek will have a wide range of temperatures depending on the altitude and the time of day. In the mountains between 1,000m and 3,500m the nights will be cool, normally around 5°C, and during the day temperatures sometimes rise to 25°C. At higher altitudes temperatures range from about 15°C to -20°C.

CLOTHING AND EQUIPMENT

A list of suggested clothing and equipment for the Everest Luxury Lodge trek has been included in Appendix below. This is a comprehensive list and experienced trekkers will often take only a selection of these items based on what has worked in the past. It is worth pointing out that you will need a sleeping bag for this trip although you can arrange to rent one in Kathmandu.

If you do not have the clothing and equipment contained in this list then a good option might be to rent from the UK. Trek Hire is a company that rents out high quality items at competitive prices which would save you the expense of buying. The link to their website is <http://www.trekhireuk.com/>

Alternatively if you are going to buy then please contact the office for the Cotswold Outdoor promo code that entitles you, as a client of The Mountain Company, to a 15% discount in their stores and online.

Each trekker should bring one backpack for items required during the day. Your day backpack will contain items such as warm clothes, jacket, camera, water bottles, personal first aid kit and snacks.

The rest of your personal equipment packed in a duffel bag or backpack will be carried by a porter. **The maximum weight allowance is 15kgs.** Please ensure that your bag is marked clearly on the outside for easy identification.

VISA REQUIREMENTS

All foreigners require a visa for entry into Nepal. It is your responsibility to obtain the entry visa. You can get from a Nepalese embassy overseas or on arrival in Nepal. Most people will obtain their visa on arrival to Kathmandu airport.

You will need one passport photo and the following fees dependent:

- 15 days USD\$25 or equivalent convertible currency
- 30 days USD\$40 or equivalent convertible currency
- 90 days USD\$100 or equivalent convertible currency

CULTURAL CONSIDERATIONS

For those of you who are visiting Nepal for the first time we have provided some cultural information to help you fit in and feel at ease:

- The dress code is important for both men and women. Men and women should wear trousers rather than shorts while trekking.
- There are many hot springs, rivers and lakes where it is pleasant to take a dip, it is fine for men to go bare-chested while bathing but they should not go nude. Women should try and be as modest as possible in these situations.
- Hindus are concerned about the ritual pollution of food when it is touched by someone outside their caste or religion. Therefore, do not touch any cooked foods on display and when drinking from a container used by others avoid touching your lips to it. Do not eat food with your left hand and make sure you only give or receive food with your right hand.
- Shoes are considered degrading so keep them on the ground and remove them before putting your feet on anything. If you enter a Nepali house follow the example of your host in deciding whether to remove your shoes but on entering a temple or monastery you should definitely remove them.
- You will pass Buddhist mani walls, chortens, and stupas along the trek and to follow local traditions you should pass them on your right.

- When visiting a monastery or gumpa it is customary to give a donation for its upkeep.
