# BEGNAS TAL

Begnas Tal is located 12Km East of Pokhara and Rupa Tal is 2 km further to the east. Both of these lakes are quiet places to stay and much less built up than Phewa Tal near Pokhara. This area is a good place to relax where you can go for walks or boat trips on the lakes with superb views of the mountains.

## BEGNAS AND RUPA TAL HOTELS

- We can help with all of your travel arrangements by booking hotels, transfers, internal flights and organising tour guides where required.
- If you would like us to reserve a room at a hotel please get in contact with us and we will check availability. Please note these hotels are popular and will fill up for the peak trekking season so it is best for us to reserve a room for you as soon as your travel plans are confirmed.
