This is a one day guided sightseeing tour of the Kathmandu Valley visiting three out of the seven World Heritage Sites. You will start off by visiting Patan Durbar Square then drive to the Buddhist stupa at Boudhanath followed by the last stop of the day at the Hindu shrine of Pashupatinath. The tour is likely to finish around 4pm and the rest of the day is free to further explore Kathmandu.

Three major towns are located in the valley, Kathmandu, Patan and Bhaktapur, each having a great

artistic and architectural tradition. Kathmandu is the capital and the largest city in the country. Patan, the second largest is separated from Kathmandu by a river. Bhaktapur, the third largest, is towards the eastern end of the valley and its relative isolation is reflected in its slower pace and more distinctly mediaeval atmosphere.

In the Valley the landscape is dramatically sculpted by the contours of the paddy fields. The towns and villages are alive with the colours of farm produce, ranging from pyramids of golden grain to the vivid reds of chilli peppers laid out on mats to dry in the sun. In the streets and towns there is a constant bustle of activity, especially in the bazaars and markets where the farmers sell their vegetables and fruit.

## **ACCOMMODATION**

### **OLD INN IN BANDIPUR**

The Old Inn is located in the heart of the traffic free bazaar in the centre of the small town of Bandipur.

The hotel consists of two adjoining timber and stone Newari townhouses with adobe, stucco façade. The ground floor has dark wooden pillars and beams opening onto the flag-stoned bazaar. The rooms are in a traditional house so are quite small and have low ceiling and doorways however this renovation has been

sensitive to the original style and integrity of the building. The rooms in the original wing do not have attached bathrooms however the rooms in the Extra star wing renovated in 2012 are en-suite. The Old Inn has a simple elegance and this is enhanced by the friendly welcome from the staff.

### **NAMO BUDDHA RESORT IN KATHMANDU VALLEY**

Namo Buddha Resort is a lovely friendly place to stay and relax. It is one of our favourites in the Kathmandu Valley. This property is at the top of a hill where there is a superb view of the Himalaya.

The accommodation is in small houses built in traditional Nepali style. The carpenters and masons were from Kirtipur. The houses have private toilets, stone roofs and traditional small doors and windows. The resort has an organic farm where milk is collected from their cows. Most of the food is grown on the property.

**MOUNT KAILASH RESORT IN POKHARA**

We have used [Mount Kailash Resort](#) in Pokhara for our groups for many years. it is our first choice hotel for trekking groups as we have received positive feedback on their service and location. This property is located on Lakeside and a short walk to the restaurants, shops, and near the lake. The rooms are spacious with attached bathrooms and have television, air-conditioning, and Wi-Fi. They serve an excellent breakfast buffet from 7 am to 10 am. There is an attractive garden with a swimming pool so it is a wonderful place to relax before or after a trip.

## HOTEL AMBASSADOR IN KATHMANDU

We have used [Hotel Ambassador](#) in Kathmandu for our groups since it was rebuilt in 2017. Since then we have received positive feedback on their service and location. This is our first choice hotel for trekking groups in Kathmandu. Rooms are well appointed with a reliable supply of hot water for use in the shower. The windows have double glazing so it keeps the rooms very quiet. They serve an excellent breakfast buffet from 7am to 10am. A sundowner on their rooftop bar and restaurant called Foreign Affairs is a must do!
